

FAMILY LESSON #1

NOTHING IS TOO DIFFICULT FOR HIM

Scripture: Genesis 1, Genesis 2:7, Psalm 139:13-14a

Parent's Assignment:

-- Please have your children tell/teach you this story from their Sunday school lesson this morning. The best way to do this is have a family drama with each family member acting out the lesson. You may wish to do this several times with different people playing different roles. It is so important for all adults to participate. You may even wish to do this with another family.

-- Afterwards talk about this story among yourselves and what you appreciate about it and what the Lord is showing you. Close by asking the Lord to show You what He desires to 'create' for each of you this week.

-- During the week, ask your children what the Lord has created for them. Please model for your children by you sharing what the Lord has created for you. Please consider recording one answered prayer to share this next Sunday. We will have a wall of testimony to post answered prayer. Be creative with this posting, make pictures or take pictures and enjoy creating this living testimony to our God because **Nothing is too Difficult for Him.**

AH, SOVEREIGN LORD, YOU HAVE MADE THE HEAVENS AND THE EARTH BY YOUR GREAT POWER AND OUTSTRETCHED ARM. NOTHING IS TOO DIFFICULT FOR YOU!
