

Prophecies Given to CrossLand

May 14, 2005

CrossLand is encountering a major test that will bring severe pressures on relationships, will seek to divide and conquer and destroy the unity and to make it impossible for the church to make the transition the Lord has scheduled it to make. God is doing a new thing. He wants to forge hearts together in love. Your trust, love and loyalty to each other will be thoroughly tested.

A demon has been assigned to CrossLand to trouble, disrupt, and scatter the sheep. He is a formidable foe and should be taken seriously.

No one will be able to disregard what I do in you and through you. It will be clear that it is I Who am God and the Lord over all the earth. It is I Who created the heavens and the earth. This year My people will begin to see more clearly the battle.

CrossLand, it is your season. This is the season of My plan for which you were created. You are My chosen one. Come with Me as I take you into the Promised Land. I will give your enemies to you. They will be powerless to defeat you. Their weapons will be useless against you.
