

THINKING CHRISTIANLY

According to Os Guinness, "Thinking Christianly is not simply thinking by Christians, nor is it thinking by Christians about Christian topics, nor is it thinking by Christians about or in order to develop a 'Christian line.'

"Thinking Christianly is thinking by Christians about anything and everything in a consistently Christian way—in a manner that is shaped, directed, and restrained by the truth of God's Word and God's Spirit."

Thinking Christianly is a way of thinking about every aspect and detail of life that reflects our relationship with Jesus Christ and His Headship over all and over us.

Thinking Christianly is allowing God the Holy Spirit to so transform our minds such that what we think and how we think has the Lord's fingerprints all over it.

KEY: Distrust Self

No longer.... "Let me see what I think and how I feel" as the primary basis for following.

No longer.... "I must be able to understand to follow."
