

WALKING ALONG THE WAY
WITH OUR CHILDREN
Walking through the Lords Prayer daily with our children.

Reminders.....

1. Helping our children hear their Father is a divine assignment and a great honor and privilege.
2. We want our children to receive and hear from the Lord Himself, remembering that sometimes God speaks now and sometimes He will speak later. We do not want to pressure our children to hear in our time frame. This would leave them stressed and works oriented. We want them to receive from their Father in His time.
3. We want to keep this simple and fun for our kids.
4. It is good to share with our kids words that God has given us for them . Ask the Father what He wants to communicate to your child as you do the Lords Prayer together.
5. It would also be good for us to do this with our Father each day. Share with our children our relationship with our Father, how He has provided for, helped, protected, and given us rest THIS DAY.
6. It is important to do this at the beginning of the day. We want God to give our children what they need for TODAY!
7. It would be good to talk at bedtime about how God protected them today, how they were tempted today etc.

FATHER / FRIEND / COUNSELOR.....in Heaven

Hallowed (set apart) be Your Name:

Ask child what attribute of God they want to pick TODAY to set God's Name apart. (Suggestion: use attribute list.)

Give me today my daily bread:

Ask child to ask God if He has a special message, or "word" for them TODAY. Ask God if He has a special message or word for you to give your child TODAY, and share with them.

Forgive my sins as I forgive sins against me:

Ask child to silently ask God to show them any sin they should ask God to forgive them for TODAY. Have child ask God who they need to forgive TODAY.

Lead me away from temptation:

Ask child to ask God if there is any temptation that He wants them to be aware of today. (Tell them that He may show us now or He may show us later.)
